Feedback from Alumni 2017-18
Comments and suggestions

Suggestions for improving the placement facilities

- Alumni Sponsorship for students.
- Internship during the semester breaks.
- Whatsapp group specialized for placement and job related. To give the details of the policies which are there in various companies in a transparent way how the world and job scenario is. If required, even the final year students can have access to this group.
- In-house recruitment, companies' approachment.
- All good.
- Get someone from the Industry for lectures and maintain good contract with them.
- By contacting all the alumni students.
- We have a qualified placement officer.
- Training session on preparation to students.
- Pool campus drive.
- Allowing pool campus drives more.
- With more top MNC's companies.
- Invite more companies.
- I think we can improve the placement by calling number of good companies.
- Involvement of Alumni students more in inter collegiate fest would be a new step towards improvement.
- By giving chance for rest of the people who have not being placed yet.
- Better to get tie up with good companies.
- Better companies
- Can improve for hiring analyst position instead of BPO.
- Lots of companies must be available.
- Doing great.
- More contacts with alumni students and regular contacts will help a lot.
- Everything should be good.
- No suggestions.
- I am fine with the present facility.
- Include a bit more companies.
- Getting connected with old students.
- It was an already an awesome experience in St. Claret college.

- It's good, maintain the same.
- It is good. No suggestions.

Suggestions for improving the ~~placement facilities~~ meet.

- Alumni meet should be little more organized.
- Inform everyone about the event in advance to spread the event dates for everyone.
- Regular Follow- ups. Regular fellowships/Meeting.
- Not Active.
- Dance programs.
- Increase more sport activities.
- Good.
- It is awesome.
- More number of alumni programs.
- Fun activities and active social group.
- Best to call each and every alumni of the college.
- More interactive sessions and team outing.
- It's pretty good
- It's good.
- More activities.
- Meetings should be held.
- To call more batches.
- Include all the students including the other super seniors into the meet.
- By including more companies for placement.
- There can be more opportunities for each members.
- Any activities that can involve all the students.
- Nothing for now.

Comments and suggestions

- Canteen Improvement.
- A good initiative and would love to be a part of it every year.
- Please continue to conduct these.
- This is one of the good colleges.
- What's app group

Action Taken Report

2017 – 2018

Considering the feedback from the various stakeholders regarding their opinion about the institution, following action has been taken:

1. Efforts have been made to strengthen and improve certain areas such as employment/career possibilities through the college and academic performance.

2. The Placement & Career Guidance Cell is rigorously networking with the companies in-order to invite them for campus recruitment. The Cell is also conducting a 7 days training program for the 2nd year students so that they are fully groomed to face the interview confidently in their final year of graduation. The students of 1st & 2nd year also have a training session once a week.

3. Along with remedial classes, the subject teachers are taking efforts to support and encourage slow learners during study leaves by giving them additional inputs, notes, tips to face exams confidently and giving challenging assignments & inputs for motivating advanced learners to aim for higher scores.

4. The office administration is suggested to be more approachable to the students.

5. Current topics and relating to social problems has been added to Life Skill Development Programmes. Alumni were also invited to speak on certain topics.

6. More companies are invited to conduct campus placement and Placement cell are putting more efforts to invite well established companies.
