Affiliated to Bangalore University | A Claretian Missionary Institution

NURTURING VALUES AND EXCELLENCE

PLACEMENT AND CAREER GUIDANCE CELL

ANNUAL REPORT 2017-2018

Placement and Career Guidance Cell (PGCGC) at St. Claret College is an effective institutional arrangement primarily aimed to train and place final year students.

SCC enhances our student's skills and talents giving importance for smart education. Hence, keeping this as our primary motive PCGC organizing various training programs to the final year batches. Talent Ease, a Hyderabad-based company, trained our final year and 2nd-year batch students on public speaking, self-confidence, and communication skills. This training was exclusively done in order to prepare our students to face interviews with more confidence and to be aware of the ethics that need to be followed in the corporate world. These sessions have helped to enhance the student's skills and also helped the PCGC to place a maximum number of students into various companies.

PCGC also conduct in-house training for final year students to brush up on the fundamentals and interview skill on regular basis. The placement officer also conducts a Training session and mock assessments to enrich their skills and to crack the questions within the stipulated time given by the companies.

In order to inculcate the habit of learning beyond their academics, the placement and career guidance cell organizes wiz quiz competitions for interclass students.

Listed below are the top companies that visited the college for the campus recruitment drive.
