## **PLACEMENT AND CAREER GUIDANCE CELL**

ANNUAL REPORT 2019-2020

St. Clare College has been successfully maintaining the highest placement in the track record over the past years. SCC enjoys immense confidence from the corporate world and has reached the heights of having more than thirty companies giving internships to our students. Companies from the background of finance, consulting Audit and taxation, operation and research, IT, sales and marketing, media and entertainment Human Resource, and Talent acquisition participated in campus recruitment.

The objective of the Placement and Career Guidance Cell is to encourage and exploit the talents of the students, and train and guide them to choose the right career. It also aims at promoting discipline and conduct good communication and a positive attitude among the students.

SCC placement Cell organizes and conducts Professional Skill Development Program classes on a weekly basis, a 6-day vacation-training program for the final year students, and a 2-day placement orientation program for the new joining students. Talks on placement awareness, pre-placement awareness to the parents were given to encourage and motivate the students to plan their future much in advance. Placement cell also facilitates the students to find short-term certification courses. Placement and Career Guidance Cell(PCGC) also helps students to get placed for internships to complement their academic pursuits.

SCC Placement Cell has made every effort to invite leading companies and corporates to undertake recruitment drives in the college. The placement cell contacts the companies; furnishing details of the college, class profiles, and student profiles to the companies. The companies willing to recruit students, visit our college campus upon confirmation from the placement cell and schedule for interviews on-campus is conducted.

The PCGC also encouraged the students to participate in online placement aptitude tests conducted by the assessment Partner. The Assessment partners conduct the online registration for companies and recruitment drives are conducted at various institutions in the city. It also disseminates all information related to training and job placements to the students.
