ANNUAL REPORT 2020-2021

St. Clare College has been successfully maintaining highest placement in the track record over the years. SCC enjoys an immense confidence from the corporate world and has reached the heights of having more than sixty companies giving internships to our students. Companies from the background of finance, consulting Audit and taxation, operation and research, IT, sales and marketing, media and entertainment Human Resource and Talent acquisition participated in campus recruitment.

SCC is very proud to have tie-ups with the TIRE-1 corporate and are happy to list below the names of the corporates:

Deloitte, London Stock Exchange, Accenture, Diageo, PWC, EY, Pay Pal, KPMG, BYJU'S, Amazon, Iron Mountain, HPE, DELUXE Entertainment, DELL Technology.

SCC focuses on the overall growth orientation in the multi-disciplinary field of study whereby every student is given opportunity and training in the field of his/her choice to grow in the area of professional run. SCC focuses on the importance of student well-being and professional development through a continuous learning process in each of the semesters, viz., orientation from the company experts and visits to the companies exposing the working culture of organizations with respect to the internships that are conducted by the companies in collaboration with the placement cell. St. College also takes care of the importance of understanding the present-day companies' requirements by grooming every student to the fullest to compete with the present days' requirements of the establishments.

At St. Clare College we provide the right preview of a career by conducting various workshops and seminars from industry experts. Our placements play a vital role in conducting placement with TIRE-1 corporates.

We organize professional skills programs and workshops throughout the academic year such as Aptitude training, communication skills, grooming and etiquette, resume building and Cover Letter, business e-mail and letter writing, group discussion, debate, current affairs, subject-oriented fundamental brush-up, HR mock interviews, MS office Excel and typing skills.

The placement cell takes care of students by conducting training to the students of all U.G and P. G course students throughout the academic year with an aim to place our students in major corporates across the country. SCC conducts various orientation career counseling sessions and training sessions to the students. Workshops are conducted on interviews for slow learners on 'Interview tips to crack interview' for slow learners. We also conduct career counseling for higher education and arrange webinars on competitive exams on problem-solving techniques, training to explore on Advance Excel Program are conducted to the students in collaboration with various organization and training institutes.

As part of the final selection process, the student signs a Letter of Intent (LOI) after all the training and adhere to actively taking part in placement services provided by SCC.
