St. Claret College

St. Claret College (SCC) was established in 2005 by the International Missionary Congregation of Claretians who manage two universities and over 150 educational institutions in 66 countries around the world. St. Claret College is managed by the Claretian Society for Integral Human Development established with the aim of providing holistic and quality higher education. Apart from St. Claret College, the campus shelters four other educational institutions: St. Claret School, Anthony Claret (AC) School, St. Claret Evening College and St. Claret Pre-University College. Moved by the spiritual genius of St. Anthony Mary Claret, its patron, and supported by the robust Christian intellectual tradition, St. Claret College offers value based education to transform students to be enlightened leaders and networkers who bring about a civilization of love and harmony. St. Claret College is recognized by UGC, permanently affiliated to Bangalore University and is NAAC accredited with A+ Grade.

The Department of Commerce

The Department of Commerce at St Claret College was launched in 2005 at the inception of the college with two faculty members and 39 students. Currently the department has a large team of experienced and highly qualified faculty and 900 students. Over the years SCC has gained the reputation of a top commerce college in Bangalore. The Commerce program in this leading Christian Catholic college has always attracted students with good academic record and the department has produced several Bangalore University ranks. The department offers courses like B.Com (General), B.Com with CA, B.Com with ACCA and B.Com with CMA.

The department also offers B.Com Travel & Tourism Management and M.Com.

About FDP

The Faculty Development Programme (FDP) conducted by St. Claret College focuses on empowering teachers with multi-dimensional teaching skills to be effective in the dynamic educational landscape. The key highlights of the program are Educational Policy Framework, Sustainable Development Goals, Emotional Intelligence, Innovative Pedagogical Techniques, Assessment Strategies and Collaborative Learning.

Objectives of the FDP

1. To strength the effectiveness of teaching by providing educators with a diverse set of skills, strategies, and methodologies.
2. To equip teachers with the ability to understand and address the diverse learning needs of students.
3. To integrate educational tools, online resources, and digital platforms to enhance the learning experience and prepare students for a technology-driven world.
4. To enhance teachers' ability to design and implement effective assessment strategies.
