PART-A

About St. Clare College

St. Clare College (SCC) was established in 2005 by the international Missionary Congregation of Claretians who manage two universities and over 150 educational institutions in 66 countries around the world. The Bengaluru campus is managed by Claretian educational society established with the aim of providing holistic and quality education to the people in and around North Bangalore. St. Clare College offers value based education to transform students to be enlightened leaders and networkers who bring about a civilization of love and harmony. St. Clare College is recognized by UGC, permanently affiliated to Bangalore University and NAAC accredited. SCC is dedicated to the principle that its educational services and faculty should be both supportive and challenging, distinguished by creative and interactive learning experience for each student. In order to make the students employable, various corporate and non-profit organizational personnel are invited to give hands-on experience of the corporate world. In addition to the regular curriculum, special training by professional bodies is provided to equip the students with professional skills such as presentation skills, debating, group discussions, team work and leadership skills which enable them to get suitable jobs in the corporate world.

Vision of St. Clare College

Our Vision is to promote educational excellence, leadership, and service, based on universal love in an environment characterized by respect for the individual and concern for the community, so as to effect holistic transformation in each student.

Mission of St. Clare College

Our mission is to form intellectually competent, professionally skilled, spiritually vibrant, morally responsible, socially just and culturally sensitive global citizens through holistic Claretine education to advance a civilization of love and harmony.

Vision of Institution's Innovation Council (IIC-SCC)

To motivate young minds to engage in innovation and pursue entrepreneurship for self and community development.

Mission Institution's Innovation Council (IIC-SCC)

To establish a Start-up hub & Incubation centre and create a sustainable ecosystem for Innovation.

Journey of IIC established at St. Clare College

The Institution's Innovation Council was established in September 2019.

Highlight Facilities, Infrastructure of Pre-Incubation & Incubation kind and Student bodies/clubs engaged in promotion of Innovation and Entrepreneurship in the campus.

The MoE's Innovation Cell is providing an excellent opportunity to Higher Education Institutions (HEIs) to formulate an Innovation and Start-up policy to promote the culture of innovation among the students and faculty. St. Claret College is committed to create an appropriate environment for fostering the culture of innovation and start-up in the Institution. SCC's Innovation Council (IIC) has done a wonderful job in framing this innovation and start-up policy. St. Claret College has been vibrantly participating in the initiatives of the MoE's Innovation Cell by launching activities such as the Smart India Hackathon, Innovation Ambassador Training Programme in the institution; by mentoring the participants at NIC 2020; by participating in NIRF, ARIIA Ranking and all IIC activities.

Session on “How to be successful Entrepreneur”

An exclusive session for the students was organized by the E-cell club, on the topic ‘How to be successful entrepreneur’ scheduled on 28th august 2021 at 10 am in its endeavour to empower young minds. Mr. Siddhant Dugar, started the session elating the students with his ideas and innovative suggestions. He mentioned some of the milestones achieved by entrepreneurs by sharing numerous and valuable experiences and many such other objectives which focused on imparting ideas. He further threw light on the fact on how to be a successful entrepreneur and how to be prepared to overcome failures. He further emphasised students to challenge and trust themselves. The session went on to be more informative as sir continued to talk about how to be successful. His focus was on how to improvise and listen to others and not to take 'no' for an answer for a mind with strong determination to succeed.
