INSTITUTION-INDUSTRY CELL

The Institution-Industry partnership fosters Research Development and innovation by bringing together industry and institutional partners. To introduce interventions to fill the gap in industry requirement and student's employability skills, St. Claret College established Institution-Industry Cell in 2019-20. This cell has established MoUs with Industry bodies such as Peenya Industries Association and Karnataka State Small Scale Industries Association to facilitate collaborative and productive partnerships. The following is the composition of Institution-Industry Cell for three years starting from the academic year 2024-25:
