Know SCC

St. Claret College, Autonomous (SCC) was established in 2005 by the International Missionary Congregation of Claretians who manage two universities and over 150 Educational Institutions in 66 countries around the world. The Bengaluru campus is managed by Claretian Society for Integral Human Development which was established in 1989 with the aim of providing holistic and quality Education. Apart from St. Claret College, the campus shelters three other Educational Institutions: St. Claret Pre-University College, St. Claret School, and Anthony Claret (AC) School. Moved by the spiritual inspiration of St. Anthony Mary Claret, its patron, and supported by the robust Christian intellectual tradition, SCC offers integral education to transform students to be enlightened leaders who bring about a civilization of love and harmony. SCC is recognized by UGC, permanently affiliated to Bangalore University, approved by AICTE and is accredited by NAAC with A+ Grade. In 2024, UGC granted St. Claret College the Autonomous Status.

Know MSBC

Maganuru Sarvamangalamma Basappa Arts and Commerce College is the constituent of Bapuji Educational Association (R). which has 55 institutions in Davangere under its umbrella. The Association has taken long strides under the able leadership and guidance of Sri Shamanuru Shivashankarappa. Hon. Secretary of Bapuji Educational Association (R). It was established in 1969 as an evening college to impart education for the employed section of the society. In 1983 It was converted into a day college to cater to the educational needs of the students from different strata of the society. The college offers BA and B. Com degree courses and has completed four cycles of NAAC and is accredited with B+ grade. The college is recognised by UGC and is permanently affiliated to Davangere University.

About SCC-RPC

St. Claret College firmly believes in encouraging a vibrant research culture for achieving excellence by exploring novel research paradigms and promoting research to address global, national, and societal challenges. The institution encourages research activities by providing the necessary infrastructural setup to faculty and students. The policy shall serve as an overall framework within which research activities may be carried out with enthusiasm. Towards this endeavor, St. Claret College is committed to fostering a research culture in the campus by encouraging research initiatives across the departments.

About the FDP

The 6-day Faculty Development Program (FDP), titled "Mastering Academic Research: Grant Writing, Data Analysis, and Funding Opportunities," is designed to enhance the research capabilities of faculty members and researchers. The program will cover essential skills in grant writing, focusing on developing successful proposals for funding bodies like ICSSR. Participants will learn advanced data analysis techniques using tools such as SPSS, R, and Python, alongside methods for interpreting and presenting research data. The FDP will also address academic writing, the structure of research papers, and effective data management. Additionally, it will provide insights into various funding opportunities available to researchers and strategies for successful grant applications. The program includes practical sessions, hands-on workshops, and expert-led discussions. Participants will gain the knowledge to navigate the research funding landscape, collaborate across disciplines, and ensure the success of their research proposals. At the end of the FDP, researchers will be equipped to secure funding, conduct rigorous research, and publish in high-impact journals. The program aims to build research excellence through a comprehensive, practical approach to academic research and funding.
