NEP SYLLABUS ORIENTATION

"Education is the most powerful weapon which you can use to change the world." - Nelson Mandela

Welcome to Reflection: A Bulletin for Commerce Insights, your exclusive source for a comprehensive overview of the latest developments and accomplishments within our vibrant commerce department. In this edition, we delve into a rich tapestry of departmental activities, showcasing a myriad of engaging initiatives that fuel the dynamic learning environment we foster. From impactful extension activities to the notable academic performances of our students, we take pride in highlighting the achievements of our dedicated learners. Explore the diverse landscape of add-on programs, where students have excelled and expanded their horizons beyond traditional coursework. Witness the culmination of hard work and dedication through the recognition of students' achievements, a testament to their commitment to excellence. As we reflect on our journey, this bulletin captures the essence of our department's commitment to holistic education. It is not merely a report, but a celebration of the collaborative efforts that define our community. Our commitment extends beyond the classroom, shaping a comprehensive and enriching experience for all.

Join us in recognizing the accomplishments, both big and small, that contribute to the vibrant tapestry of our department. Reflect is not just a bulletin; it's a mirror reflecting the collective spirit and achievements of our students and faculty.

Warm regards,
Mr. Vasu V.
Head of the Department.

Dignitaries inaugurate the Syllabus Orientation Program

The Department organized a Syllabus Orientation on October 11th, 2023, for teachers from Bangalore University's Bachelor of Commerce program. Focused on the 5th-semester NEP subjects, the event aimed to enhance teaching quality and student learning experiences. Sri Sheik Lathief, K.A.S., Registrar of Bangalore University, graced the occasion as the Chief Guest, alongside Dr. R. Sarvamangala as the Guest of Honor. From 9:00 am to 5:30 pm, the college auditorium buzzed with enthusiastic discussions and interactive sessions. Teachers engaged deeply with the NEP syllabus, gaining valuable insights to plan effectively for the upcoming semester. The orientation was a significant milestone in improving teaching methodologies and ensuring quality education delivery. As educators return to their classrooms, they carry with them a renewed sense of purpose and a deeper understanding of the NEP syllabus, promising a more enriching academic experience for their students.

PU STUDENT CAREER COUNSELLING

A career counseling session on January 8, 2024, for PUC students, facilitated by Ms. Binila and Ms. Suneetha K.S., provided expert advice and personalized guidance. Interactive discussions empowered students to clarify doubts and make informed career decisions, ensuring a beneficial experience and fostering clarity about future paths.

FACULTY DEVELOPMENT PROGRAMME

UTKARSH 2023

ONE WEEK ONLINE FDP ON EMPOWERING TEACHERS WITH MULTIDIMENSIONAL TEACHING SKILLS

The Department hosted a National-level faculty development program on "Empowering Teachers with Multidimensional Teaching Skills" from January 15 to 20, 2024. Conducted online via Google Meet from 5:00 p.m. to 6:00 p.m., it covered topics like research, assessment techniques, emotional intelligence, and digital teaching tools. Distinguished resource persons, Dr. Suma Singh, Dr. Baba Ganakumar, Dr. Raja Jebasingh, Dr. Girish S, Dr. Gita P.C., and Prof. Stephen Deepak, were a part of the program and shared valuable insights from their areas of expertise. About 76 educators from all over the country participated in the program.

Student Representatives

Leadership is not about being in the spotlight. It's about making others shine.

The Department, in collaboration with Trinity College, Jalandhar, Shri Ram College of Commerce, New Delhi, BMS GFGC, Huliyaar, and GFGC, Chikkanayakanahalli, hosted a National Level Student Conference on Innovation and Sustainability in Commerce & Business. The conference, held online on 12 September 2023, offered Commerce and Management students a platform to showcase their research. With 150+ participants, it fostered learning and critical thinking skills development.

ADD ON COURSES
